# VENICE TRIP ITINERARY

The bus will pick you up at Hotel Paradiso - Peschiera del Garda, at 8.00am. Two hostesses will welcome you in the coach and during the transfer you will be informed about the rich history of Venice.

The estimated time of arrival at the bus/boat terminal near Venice is 11:00 AM. From here we'll hop on a private boat towards the centre of Venice, just 100 meters from St. Mark's Square. (30 minutes boat ride).

While in Venice, we'll take a guided walking tour from St Mark's square with the hostess and headphones and see the city's most famous landmarks, such as St. Mark's Basilica, the Bridge of Sighs, and the bell tower. The tour will bring us along the main streets to the Rialto Bridge and other monuments of Venice.

After the tour we will stop for a delicious Italian lunch in a local restaurant just a few steps from St Mark's Square. At 15:00 the boat will take us back to the coach.
